

Let's give it a spin!

Thursday 22 May 2025

thursday morning - Science Technology Park (09:00 - 12:00)

-Conveners: Željko Šljivančanin

time	[id] title	presenter
09:00	[43] Dissipative and nondissipative dynamics excited by spin torques in a quantum dot	GAMBARDELLA, Pietro
09:30	[30] Spin and Orbital Currents in Two-Dimensional Layered Materials	Prof. FERREIRA, Aires
10:00	Coffee break	
10:30	[42] Spin and orbital induced dynamics in 2D Magnets	DASH, Saroj
11:00	[33] Switchable p-wave magnetism	COMIN, Riccardo
11:30	[18] Tuning magnetic exchange interactions in two-dimensional magnets	Prof. SZUNYOGH, László
11:45	[7] Beyond the orbitally-resolved magnetic exchange	ŠABANI, Denis
